Blue Hole Snorkeling

Amilla Maldives is proud to have one of Baa Atoll's most unique reef formations right on its very own House Reef. Accessible with a short boat ride, the Amilla Blue Hole is a tropical reef wonder and this trip allows you to snorkel above the entrance of this mysterious hole and explore the numerous coral blocks inhabited by an abundance of schooling fish.

Snorkeling Safari

Embark on an exciting adventure to explore a duo of the most spectacular reefs in Baa Atoll. Discover the habitat of curious turtles and try your luck at spotting a reef shark taking a nap. With our experience guide at your side don't hesitate to look for the most amazing flora and fauna and try to discover the home of napoleon wrasse, moral eels and many more.

Reef Hopping

This experience offers snorkeling at its best for underwater enthusiasts. Join our experienced team of guides as they handpick a duo of reefs based on the current conditions - you'll be amazed at the incredible fish life that the Maldives is famous for. This excursion comprises two separate snorkel sites, giving you an insight as to why Baa Atoll has achieved its UNESCO Biosphere Reserve status.

Ocean Discovery

Our Ocean Discovery excursion combines two wonderful wildlife encounters: turtles and dolphins. On this special adventure, you'll have a chance to snorkel with curious turtles and try your luck at spotting a pod of dolphins out at sea - perfect for wildlife lovers - with our specialized guide on hand to elevate your experience.

Night Snorkeling

As night falls on the reef, it takes on a whole new dimension, with a medley of unusual species of flora and fauna emerging. Small groups are led by our experienced guide, who will escort you on a mind-bending snorkeling journey in our House Reef. Snorkel vests and torches are provided and must be used by all participants for safety, comfort and enjoyment.

Sandbank Visit

This serene experience embodies tranquility. Imagine yourself alone on sand as soft and white as sugar, dabbling your toes in an idyllic turquoise lagoon. For a moment, you'll find yourself in total solitude, cast far from anything at all. This soothing experience will serve as the ultimate relaxing remedy in paradise.

Sunset & Dolphin Discovery

Experience sunset in traditional Maldivian style with a cruise onboard one of our authentic dhonis. Watch as dusk paints the sky with an impossible spectrum of colours reflected against the surface of the sea and grasp this chance to seek out a pod of dolphins at sunset. Whether it's the beautiful Bottlenose or the playful Spinner, keep your cameras poised for a snap of these breathtaking creatures in action.

Traditional Sunrise fishing

Race against dawn and capture the spoils of the reef as the sun rises on the horizon. Mornings are typically the most active time of day on the reef, as fish school together to hunt. Try your luck and bring home the freshest 'Jack Fish' or perhaps an 'Emperor Fish'. It's a perfect tonic for the "Monday Blues" - or any blues for that matter.

Traditional Sunset Fishing

This is the perfect way to end the day as the sun sets in a spectacular display over the horizon. As the fish come out to play, try your luck at catching a 'Grouper' or a 'Red Snapper' using traditional hand line Maldivian fishing methods.

Introduction to Snorkeling

For beginner snorkelers of all ages, our swimming pool is the starting point of your next big adventure. Our trained guide will teach you all you need to know to become a confident snorkeler and get you ready for your next snorkeling excursion.
